KEITH DAVIDSON: I just didn't want you to get caught off guard, and I wanted to let you know what was going on behind the scenes. And I would not be the least bit surprised if, I wouldn't be the least bit surprised if you see in the next couple of days that Gina Rodriguez's boyfriend goes out in the media and tells the story that Stormy Daniels, you know, in the weeks prior to the election was basically yelling and screaming, and calling me a pussy.

MICHAEL COHEN: Can I, can I ask you a question? Right.

KEITH DAVIDSON: No, hold on one second. I wouldn't be the least bit surprised if he comes out and says, you know what, Stormy Daniels, she wanted this money more than you can ever imagine. I remember hearing her on the phone saying, you fucking Keith Davidson. You better settle this God damn story. Because if he loses this election, and he's going to lose, if he loses this election we lose all fucking leverage this case is worth zero. And if that happens, I'm going to sue you because you lost this opportunity. So settle this fucking case. That's a far cry, that's a far cry from far cry from being, you know, bullied and pushed into settling a case.

MICHAEL COHEN: Right.
